Unified Modeling Language (UML) Training Program

UML Certificate

This document certifies that **Praveen Karthikeyan** has completed the training "Unified Modeling Language (UML) Training Program (for Employees in India)"

Course summary: The Macmillan Learning UML Training Program is designed to inform ML employees in technical roles about the fundamentals of UML and how to read and interpret UML diagrams. Ultimately, this program will increase communication and decrease documentation with emerging business opportunities (EBOs) in tech.
